Northern Lights, Blue Lagoon, and Golden Circle Tours, 5-Night

It's the power of Icelandic nature to turn the ordinary into the extraordinary. A dip in a pool becomes a soak in a geothermal lagoon; a casual stroll can transform into a trek across a glittering glacier; and a quiet night may mean front-row seats to the Aurora Borealis curtains of light, or the soft, pinkish hue of the midnight sun. No place on Earth seems so alien, but perhaps no place is as pure a showcase for our planet's most raw and active geological features as Iceland. It's indescribably beautiful.

Northern Lights Super Jeep Excursion

Venture into the night with us in the luxury of a super jeep on a quest for the spectacular, unique, and ever-changing show put on by the northern lights. Riding in a super jeep will give you exclusive access to the best spots around to get to enjoy these phenomenal dancing lights in the sky we so eagerly seek to witness. Wrap yourself in a blanket and enjoy a cup of hot cocoa while getting to experience the magic of the Aurora Borealis.

Blue Lagoon

Take a dip in the famous Blue Lagoon geothermal spa, truly one of the wonders of the world! Surrounded by immense lava fields, the seawater in the Blue Lagoon provides an oasis of relaxation. The sauna and steam rooms, carved into the lava rock, reflect the stunning landscape around the Blue Lagoon. The man-made waterfall works wonders on sore shoulders and stiff muscles. Includes silica mud mask, use of towel, and first drink of your choice.
